

§ 10.6

44 CFR Ch. I (10–1–14 Edition)

(6) Provide applicants for FEMA assistance with technical assistance regarding FEMA's environmental review process.

(d) *The Office of Chief Counsel of FEMA shall:*

(1) Provide advice and assistance concerning the requirements of this part;

(2) Review all proposed changes or additions to the list of categorical exclusions;

(3) Review all findings of no significant impact; and

(4) Review all proposed draft and final environmental impact statements.

[45 FR 41142, June 18, 1980, as amended at 47 FR 13149, Mar. 29, 1982]

§ 10.6 Making or amending policy.

For all regulations, procedures, or other issuances making or amending policy, the head of the FEMA office or administration establishing such policy shall be responsible for application of this part to that action. This does not apply to actions categorically excluded. For all policy-making actions not categorically excluded, the head of the office or administration shall comply with the requirements of this part. Thus, for such actions, the office or administration head shall assume the responsibilities that a Regional Administrator assumes for a FEMA action in his/her respective region. For such policy-making actions taken by the Administrator of FEMA, the Environmental Officer shall assume the responsibilities that a Regional Administrator assumes for a FEMA action in his/her respective region.

[45 FR 41142, June 18, 1980, as amended at 47 FR 13149, Mar. 29, 1982]

§ 10.7 Planning.

(a) *Early planning.* The Regional Administrator shall integrate the NEPA process with other planning at the earliest possible time to ensure that planning decisions reflect environmental values, to avoid delays later in the process, and to head off potential conflicts.

(b) *Lead agency.* To determine the lead agency for policy-making in which more than one FEMA office or administration is involved or any action in

which another Federal agency is involved, FEMA offices and administrations shall apply criteria defined in § 1501.5 of the CEQ regulation. If there is disagreement, the FEMA offices and/or administrations shall forward a request for lead agency determination to the Environmental Officer;

(1) The Environmental Officer will determine lead agency responsibility among FEMA offices and administration.

(2) In those cases involving a FEMA office or administration and another Federal agency, the Environmental Officer will attempt to resolve the differences. If unsuccessful, the Environmental Officer will file the request with the Council on Environmental Quality for determination.

(c) *Technical assistance to applicants.*

(1) Section 1501.2(d) of the CEQ regulations requires agencies to provide for early involvement in actions which, while planned by private applicants or other non-Federal entities, require some form of Federal approval. To implement the requirements of § 1501.2(d),

(i) The heads of the FEMA offices and administration shall prepare where practicable, generic guidelines describing the scope and level of environmental information required from applicants as a basis for evaluating their proposed actions, and make these guidelines available upon request.

(ii) The Regional Administrator shall provide such guidance on a project-by-project basis to applicants seeking assistance from FEMA.

(iii) Upon receipt of an application for agency approval, or notification that an application will be filed, the Regional Administrator shall consult as required with other appropriate parties to initiate and coordinate the necessary environmental analyses.

(2) To facilitate compliance with the requirements of paragraph (a) of this section, applicants and other non-Federal entities are expected to:

(i) Contact the Regional Administrator as early as possible in the planning process for guidance on the scope and level of environmental information required to be submitted in support of their application;

(ii) Conduct any studies which are deemed necessary and appropriate by
